

# Busy Teacher Resources

August 2004—Planning for Back to School  
Tools for Teachers

**We** at Teacher Tools have sought to provide functional and practical solutions for making the lives of the average Teacher a little easier. We offer a forum to share ideas, documents, and creations. Bulletin boards, curriculum, games and puzzles, form letters, lesson plans, and more.

<http://www.teachertools.org/index.html>

All types of certificates and links to award generators.

<http://www.certificates4teachers.com/>

A nice collection of information for teachers including curriculum links, PDF versions of graphic organizers and certificates, pointers to relevant articles, and much more.
