### GROWING VOTERS AND ELECTION 2004 - Complete Materials for Teachers, Grades 1-12

Our broad range of new, original, ready-to-use, grade-specific lesson plans and other curricular materials help you integrate the 2004 election immediately into your classroom, bring it to life, make it relevant to your students. The upcoming election is a quintessential teachable moment. These materials, developed and compiled by classroom teachers like you from around the country help you use it creatively and effectively. All materials have been fully vetted, and you will find that each module is:

- Organized around **essential questions**
- Accompanied by **well-developed rubrics**
- Aligned to **national standards**

Each activity set is built for student-centered active engagement to maximize your students' involvement and motivations.
