SPECIAL EDITION: Thanksgiving

From the History Channel

<http://www.historychannel.com/exhibits/thanksgiving/>

Beginning with a pictorial time line of 1620–1621, students explore the voyage on the Mayflower, the relationship between the Wampanoag and the Pilgrims, and the events that led up to the harvest feast celebrated by both groups. The project also gives students an intimate perspective of the period through interviews with Pilgrim interpreters playing the roles of actual Pilgrims, and a modern-day Wampanoag descendant.
