Literacy

NCTE

The National Council of
Teachers of English

A Professional Association of Educators in English Studies,
Literacy, and Language Arts

"Literacy alone is no longer our business. Literacy and technology are. Or so they must become," Cynthia Selfe tells us in her *Technology and Literacy in the Twenty-First Century*. With new technologies emerging every day, our curriculum must pay attention to the literacies that will enable our students to navigate this rapidly changing world."

<http://www.ncte.org/collections/weblit/>

This 2,000 page Web site has a home page for each of the fifty-five episodes, with interactive games and activities that extend the curriculum. Here is a site that teachers and parents can feel safe to let children explore to their hearts' content.
