## LiteracyMatters

**What matters most in Today's Classrooms.**

<http://www.literacymatters.org/>

The goal of the Literacy Matters project is to improve the literacy development of middle grades and secondary school students, especially those students who are struggling to succeed. The content focuses on what matters most in adolescent literacy development. The first two "matters" are adolescent literature and content area literacy.

The MarcoPolo logo, which consists of the word 'marcopolo' in a lowercase, serif font inside an oval. To the right of the logo is a banner with a collage of images including a globe, a butterfly, and several historical figures. The text 'Internet Content for the Classroom' is written in a serif font across the banner. Below this, a paragraph of text reads: 'MarcoPolo provides the highest quality, standards-based Internet content and professional development to K-12 teachers and students throughout the United States.'
