Feedback Form
Sign up for our mailing list, volunteer list, and let us know how we're doing

Creative Applications
Learn how other educators are using the Professor Garfield content in the classroom

Educational Store
Links to vendors carrying Garfield-related educational products

The Professor Garfield
TEACHERS' LOUNGE

The purpose of the Professor Garfield Teachers' Lounge Section is to provide free, user-friendly, and standards-based learning materials for the classroom teacher, parent, tutor, or mentor. These materials are intended to support and supplement the ongoing work of the classroom teacher by providing leveled materials (plans, activities, downloadables, and printables) that are retrievable by grade level, subject, and/or national standard.
