## Effective Strategies for our Special Children

<http://www.nclد.org/>

This site offers information and resources to help early educators address the needs of young children (3 to 5 year-olds) who show signs that they may not be learning in an expected manner, even before they begin kindergarten.

### *Technology the Supports Learning*

If you have a child struggling to learn, chances are good that assistive technology (AT) could make her life easier. Read clear, up-to-date information on AT for kids with LD, and use the AT database to find the right tool for each child's needs.
