

# Busy Teacher Resource

SPECIAL EDITION: Terrific Teaching Tools by HPR\*TEC

The HPR\*TEC mission is to help teachers and other educators create, share, or find solutions to problems they encounter when integrating technology into education.

Using the Web in class has never been so easy! Combine a number of Web pages into a lesson or presentation in a flash with **TrackStar**. Enter a collection of URLs, and TrackStar will organize them into an interactive, online presentation--a Track. Add your own annotations and questions, and you've got a project or lesson that is ready to go. You may also browse the database of more than 1,100 plans by subject and grade level. Like all HPR\*TEC products, TrackStar is free!

<http://hprtec.org/track/>

**www4teachers** provides free, ready-to-go Web lessons, teachers' firsthand accounts of struggles and triumphs with technology, and interviews with well-known leaders in K-12 technology. Here you have tools for your classroom, professional development, and sites of the week. **Not to be missed!**

Action  
Research  
Network

Educational Action Research refers to taking a systematic look at some educational practice and recording what was done, why it was done, collecting data, analyzing the data and reflecting on how the results might influence future teaching endeavors.
