## THE BOOK ON INCLUSIVE EDUCATION

<http://www.quasar.ualberta.ca/ddc/incl/intro.htm#hbook>

This site is loaded with useful information.

- The **HANDBOOK** is the core of it all.
- **FIELD NOTES** contains more than 100 interviews with teachers who have experienced success including special needs children in their classrooms.
- **RESOURCES** provides original material and reprints from important books about inclusion.
- **FEEDBACK** is where you can ask a question, make a comment, or contribute information about your own success with inclusion
