Private See Dispute

Drafting Definitions of Privacy in the Age of Camera Cellphones

Every kid seems to want their own cell phone; and the more gadgets, the better. But have they thought about finding themselves plastered on a web page or the subject of thousands of email jokes? From the NY Times Daily Lesson Plans, this lesson gets students to define "reasonable expectations" of privacy with regard to camera cellphones and digital cameras.

HUELL'S INTERACTIVE

Join Huell Howser on a video tour of LA's history and neighborhoods.
Diversity at its best. California-centric; but really well done and fun.
