"Here's a non-commercial educational e-journal started in 2001 and supported entirely by teachers. The magazine combines thoughtful ideas about education with humor and an understanding of reality, and all without jargon or the supposition that the writers have every answer to every question." RubiStar is a tool to help the teacher who wants to use rubrics but does not have the time to develop them from scratch. It's very easy to use. Templates are available for the following topics: oral projects, math, multimedia, research and writing, products, art, reading, work skills, science and music.
