

# Busy Teacher Resources

December 16, 2002

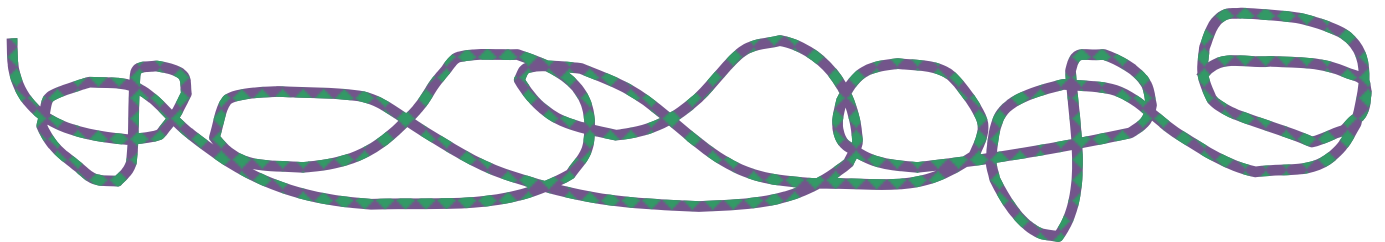

<http://www.kid-at-art.com/>

Welcome kids at art  
to  
**The Imagination** ★  
★ **FACTORY** ★

**There is no machinery at The Imagination Factory, and smokestacks don't pollute the air. Instead, we teach children and their caregivers creative ways to recycle by making art.**

<http://www.friendshipthrougheducation.org/>

*Friendship Through Education is a consortium of organizations committed to creating opportunities that facilitate interactions between youth worldwide, building an understanding between nations and a bond between humanity.*
