To Copy or Not to Copy-That is the Question

"Copyright in education is a very thorny issue. Many teachers, in pre-service are told that because they are teachers they do not need to worry about copyright. WRONG!"

Read more with resources at the end of the article.

Copyright with Cyberbee

<http://www.cyberbee.com/copyrt.html>

More good information and good links to further understand the rights of teachers related to copyright, particularly the cut and paste kind on the Internet.

Cut-and-Paste Plagiarism: Preventing, Detecting and Tracking Online Plagiarism

<http://alexia.lis.uiuc.edu/%7Ejanicke/plagiary.htm>

Although written in 1998, good information on tracking down, detecting, and preventing plagiarism. Some of the links are not working due to the age of the article, but still valuable information. Interestingly enough, most of the links to the sites where you can purchase or get term papers for free are all still working! Take a look.
