

Busy Teacher Resources

February 10, 2003

Where jelly beans ripen under tropical rainbows.

Uncommon Amusements for
Grown-Ups & Children

<http://www.meddybemps.com/>

"On one level, this site is simply a place for grown-ups and children to have fun. There are original stories, amusing characters and whimsical ideas. Wordplay and humorous illustrations abound, offering you opportunities and reasons to smile, maybe even to laugh. But on a second level, the site quietly reflects the belief that learning is a wonder-filled experience for all ages. This site celebrates that belief."
