How do we "save" students who are struggling with literacy? *Supporting Struggling Readers and Writers* gives teachers in grades 3-6 effective approaches for helping students who are most at risk. Includes an extensive Strategy Bank with 21 step-by-step practices.

<http://www.stenhouse.com/0055.htm?sb021119>

Over 80% of the reading and writing we do as adults is nonfiction, yet in K-3 classrooms it's mostly fiction or personal narrative. *Is That a Fact?* shows teachers how to open the door to nonfiction writing that goes beyond "what I did" narratives and animal reports.

<http://www.stenhouse.com/0331.htm>

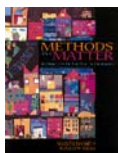

*Beyond Leveled Books* invites teachers of grades 2-5 children to examine the characteristics and needs of transitional readers and provides instructional tools that will help students become strategic, independent readers.

<http://www.stenhouse.com/0330.htm>

*Reading and Writing in the Middle Years* is a comprehensive book following a no-nonsense exploration of the latest and most successful approaches to teaching reading and writing to students in grades four to eight.

<http://www.stenhouse.com/0344.htm>

*Methods that Matter* offers concrete descriptions of practical and proven ways of organizing time, space, materials, students, and activities that embody new standards while creating genuinely student-centered classrooms so learning and teaching can truly achieve Best Practice levels. A free Study Guide to support this book is available to be downloaded.
