

Busy Teacher's Resources

Special Edition: **Classroom Web Sites** October 18, 2002

We have a new web site for the district but at the same address!

<http://www.lincolnparkboe.org/>

Have you given thought to having your own web site in the Internet? We do not have the capability right now, but we will in the future. If this peaks your interest, see what colleagues from across the country do for their students and parents.
