## Re: 2018-19 Calendar Revision

Dear Parents/Guardians & Students:

As we begin the district's Thanksgiving Recess, I want to update you on a change made to the school calendar. At the November 13<sup>th</sup> board meeting, the Board of Education modified the 2018-19 school calendar: Two delayed openings have been added to the calendar for professional development opportunities for the school staff. On February 4<sup>th</sup> and March 18<sup>th</sup> the students will begin school two hours later than normal. The LPMS will begin at 10:25 and the LPES will begin at 11:00. The revised school calendar has been posted on the district website and is attached to this email. We recognize that any change to the school calendar can be difficult, but we feel the additional time for professional development for the staff will benefit your children. Our hope is that making the modification this early in the school year will provide you ample time to make the necessary arrangements needed.

I would like to take this opportunity to wish everyone a very Happy Thanksgiving. I hope you enjoy the time with family and friends. As always, if you have any questions or concerns, please do not hesitate to contact my office.

Sincerely,

James W. Grube  
Superintendent of Schools
