Re: 2018-2019 Calendar Revision

Dear Parents/Guardians & Students:

I would like to make you aware of a change to the 2018-19 school calendar. As of today, we still have one school emergency closing day that the District has not utilized. The Lincoln Park Board of Education approved a modification to the school calendar at their April 30th board meeting. If there isn't a need for an emergency closing day from now until the end of the year, the schools will be closed on Friday, May 24th. This is the Friday that begins the Memorial Day weekend. Keep in mind, the modification of the calendar will only take place if the emergency closing day is not used before the end of the school year.

As always, if you have any questions or concerns, please don't hesitate to contact my office.

Sincerely,

James W. Grube
Superintendent of Schools
