James W. Grube
Superintendent of Schools

Adrian J. Pollio
Business Administrator/Board Secretary

April 4, 2017

Note Change in Date:

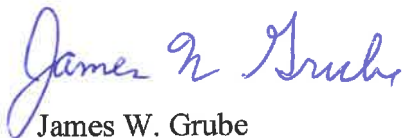

Dear Parents/Guardians,

I would like to make everyone aware of a road construction project that will be taking place in the Borough at the end of April and the beginning of May that may affect travel to and from the district schools. On or about April 20th through the 27th, the NJDOT will be working on the railroad crossing on Ryerson Road. On or about May 4th through the 11th, the railroad crossing at Beaver Brook will be under construction. Each project is scheduled to take one week, dependent on weather conditions and construction incidents. During the duration of the project there will be road closures, which may affect the bus routes and students traveling by car. The buses will still run and pick up all of our students, but the pick-up and drop-off times will be dependent on the traffic conditions. Detours will be set up, with the Borough and NJDOT placing signage to provide guidance on available travel routes.

Also on or about April 17th Jacksonville Road will be milled, which will then be paved. This project may also affect transportation to and from the schools in Lincoln Park.

Please plan accordingly allowing extra time for travel to and from the schools during these projects. If you have any questions don't hesitate to contact my office.

Sincerely,

James W. Grube
Superintendent of Schools
