Dear Parents/Guardians,

New Jersey school districts, charter schools and renaissance school projects are required by statute (*N.J.S.A.* 18A: 7C-6.6) to annually notify parents or guardians by October 1 of any statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year. The chart attached to this letter lists assessments the Lincoln Park School District will be administering during the 2019-20 school year, as mandated by the New Jersey Department of Education and the Federal Government. The chart provides information relating to the tests given, time allotted as well as the testing window. The Lincoln Park School District will be administering the computer based testing format when available.

If you have any further questions or concerns, please don't hesitate to contact your child's building principal or my office.

Sincerely,

  
James W. Grube  
Superintendent of Schools
