If you haven't yet heard, Mr. Winston was approved at Tuesday's board meeting to be the next principal of Lincoln Park Middle School. He has been doing a fantastic job of assisting Mr. Sciolaro during these past few months and that only confirmed my belief that he will make an excellent principal. I have worked with Mr. Winston in various capacities and I know that the LPMS teaching staff shares my belief that he will continue to lead our middle school on the path to success.

Please remember that on Monday, both cohorts will be returning to school (unless the student is under quarantine). Both buildings are prepared and it is important to remember to complete the

daily Covid-19 screening form each morning. Failure to fill out the form slows down the arrival process unnecessarily. If you forget to fill it out while dropping your child off, please park your car and fill it out on your phone. LPES parents dropping off, you can park and walk your child to the walker door. There is a paper form you can fill out to save us the trouble of calling you. Please remember to park in a spot, not in the traffic line.

Finally, I will be sending you another email today. Please take a moment to read the attached letter about our plans for a referendum. Have a great weekend!

Sincerely,

Michael Meyer
