Dear Scholarship Applicant:

The Dorothy Thurlby Young Scholarship was established by Mrs. Young upon her death to assist Lincoln Park college students majoring in science and/or mathematics. A graduating senior(s) who meets all of the criteria will be selected annually for recognition as the Dorothy Thurlby Young Scholar and receive financial assistance based upon the interest earned during the previous year on Mrs. Young's bequest. In the past recent years, the award amount has exceeded four thousand dollars. The award will be granted to one public high school senior at the discretion of the Selection Committee.

Lincoln Park seniors who feel they meet the criteria as outlined in the attached application are encouraged to apply for this scholarship. The committee will consider academic performance (GPA and class rank), participation in extra-curricular activities (school/community citizenship), and financial need in awarding this scholarship.

Completed applications must be received in the Office of the Superintendent, Lincoln Park School District, by Friday, April 29, 2022. Please make sure all required information is included in your submission packet.

Sincerely,

Michael Meyer
