## Mrs. Bammer's Message

Welcome back from Spring Break! I find it hard to believe that April is here already. As of today we only have 44 days of school left!

We will be starting another week of virtual learning on Monday. It is hard to believe that we have been out of school since Friday the 13th of March. I hope that we will get back to "normal" sooner rather than later. I want to say a huge THANK YOU to the teachers for all that they are doing to try to make learning as normal as possible for your children, and, to you, the parents, for helping teach your children to the best of your abilities while working from home. It is no easy feat!

With regard to our Virtual Learning, please remember a few important points:

- Attendance must be submitted EVERY day. Directions are on our website. Please make sure your child is using his/her school email and signing in with his/her

LAST name first.

- Please visit each teachers' Google Classroom for assignments
- As much as we want our children to be successful with their learning, **it is okay for them to make mistakes!** For our teachers to get an accurate picture of what s/he knows, please refrain from helping your child with assessments.
- If you have questions or need help from your child's teacher, please email him/her. When doing so, it would be helpful to indicate what your email is for in the tag line (i.e. math question or help needed with social studies).
- Teachers are available between the hours of 10-12 and 1-3. Please note that while they are available during these hours, staff may not get back to you immediately. Keep in mind that

they are dealing with numerous emails and many are also teaching your children during these times.

- If you need other assistance, please email either Mrs. Ficker, Mrs. Sorrentino, or me. Our emails are: [ficker@lincpk.com](mailto:ficker@lincpk.com), [sorrentino@lincpk.com](mailto:sorrentino@lincpk.com), and [bammer@lincpk.com](mailto:bammer@lincpk.com). Calls made to the school will not be returned expeditiously. Email is the fastest way to receive a response.

We are accepting **kindergarten registration** for the 2020—2021 school year. To be eligible for kindergarten, your child must be five years old on or before October 1, 2020. Please visit our website for the registration paperwork. Scan or email paperwork to Mrs. Ficker at [ficker@lincpk.com](mailto:ficker@lincpk.com). You will be able to drop the hard copies off once we reopen. Dates for Kindergarten Orientation and Screening will be determined once we reopen.

## Happy Spring!
